

APPLE STAMP PUMPKINS

SUPPLIES

- Apple, cut down the center
- Orange Paint
- Googly eyes
- Brown & Green Pipe Cleaners

DIRECTIONS

1. Begin by cutting your apple in half.
2. Using a small paint brush, dab some orange paint on one half of your apple.
3. Carefully press down on the paper. Touch up any unpainted parts with your brush.
4. Cut your brown pipe cleaners into small stems and twist your green pipe cleaners around a pencil to create a curly leaf.
5. Glue on your stem, curly leaf, and googly eyes.
