

## **BANANA BALL WORLD TOUR TICKET FAQ:**

### **How can fans get tickets?**

- Join the Ticket Lottery List before it closes on November 1, 2024. Joining the list doesn't guarantee the opportunity to buy tickets. A random drawing will take place about 2 months before the event for the chance to purchase available tickets. If you're drawn, you'll have an opportunity to purchase tickets.
- The Ticket Lottery List will close on November 1, 2024. Once the list closes, fans will join the Ticket Wait List. There is no guarantee to have the opportunity to purchase tickets if fans join the Ticket Wait List, but fans will be notified if tickets do become available.

### **Where can fans sign up for the Ticket Lottery List?**

- You can send fans to any of the below webpages. These will flip to have links to the Ticket Lottery List **after** the draft concludes on Thursday, October 3<sup>rd</sup>.
  - <https://bananaball.com/tickets/>
  - <https://thesavannahbananas.com/tickets/>
  - <https://thepartyanimals.com/tickets/>
  - FansFirstTickets.com

### **When do tickets go on sale to those selected in the Ticket Lottery List?**

- Tickets for the 2025 Banana Ball World Tour Road games go on sale about **two months before the event**.
  - *All fans who join the Lottery List will be asked to verify their identity to ensure they are not bots. Identity Verification for eligibility will come at a later time closer to when events go on sale.*

### **How much are the tickets?**

- Our standard tickets always start at \$35. VIB/VIP Meet and Greet tickets start at \$100. No hidden fees, no tax, all fun.
- Tickets for MLB Stadiums range from \$40-\$80 with VIB/VIP Meet and Greet tickets starting at \$125.
- We only sell tickets through our official lottery on FansFirstTickets.com. Any tickets for sale outside of this platform are likely fraudulent.

### **I thought tickets were \$35. Why am I finding tickets online for more than that?**

- Our standard tickets start at \$35 when you purchase them from our site. If you find some that are WAY MORE than \$35, those tickets had been bought from us and are now being sold on a third-party platform that we cannot control. These third parties include StubHub, VividSeats Ticketmaster, etc.

- Warning: Tickets purchased through 3rd party sites are often fraudulent and will not be accepted.
- An overwhelming majority of people selling tickets on social media platforms are fraudulent. Please use extreme caution if you choose to go this route.

**Do you have group ticket options?**

- Join the Ticket Lottery List before it closes on November 1, 2024.
- If we have the opportunity to accommodate your group, you'll be contacted directly by a member of the Banana Ball Ticket Team.

**Do I need to buy my child a ticket?**

- Little Banana Ballers three and under get in for free but will be expected to sit on a lap.

**I want season tickets/I want to become a member for Banana Ball Tickets!**

- At this time, we are at our capacity for season memberships in Savannah and are not able to offer any new memberships for the upcoming season!

**Why is it called a World Tour if you're just playing in the US?**

- We are constantly adding markets and are working on playing across the planet!

**I want to do a fundraiser with tickets. How can I?**

- While there are many worthy causes and organizations who wish to use the Banana Ball tickets for the promotion of their cause, we try our best to maintain the full integrity of our tickets, including the pricing and distribution of our tickets. In light of that, we strongly discourage groups from using our tickets as fundraisers either directly or through a raffle. Such actions can result in the tickets being canceled and revoked, but also loss of opportunity to purchase tickets in future seasons.
